MGAreport

The Official Newsletter of the Hunters Green Men's Golf Association

Welcome to the MGAreport!

In 2015, the MGA will work to improve our communications with the membership and provide monthly reports on results of previous tournament results, upcoming events, and membership news

This newsletter will seek to bring you information about the on goings of the MGA as well as provide a little local flavor to your golfing news. We welcome your input and will try to present the information in a way that is entertaining and brief.

The MGA is proud to bring to Hunters Green several golf every year events as well as the restructured "Hunters Cup," the yearlong race for points which is culminated with a true Ryder Cup style tournament and cash payouts to the top 10 players.

We look forward to serving you and helping to make 2015 your best year of golf to date!

Hunters Green Members Represent at Pinehurst

In July, the MGA ran a new qualifying event for the Club Corp Team Championships with huge success and an even bigger reward – an all-expenses paid trip to represent Hunters Green for 4 days at the Pinehurst resort in North Carolina.

Chad Wandall, Chris Neil, Mike Reed, and Jason Langston won the Pinehurst Qualifier, an MGA sponsored event, and took home the coolest prize offered at HG! HG General Manager **Andrew Smith** joined the foursome on the trip and all 5 represented HG in the ClubCorp Team Championship National Tournament. "We were treated first class from the moment we stepped off the airplane," said Wandall.

Mike Reed added that "the whole deal was top notch... The dinners, top shelf open bars, give aways, free cigars, scotch tasting etc. Simply put, it was the best run event I've been a part of."

Chris Neil pulled a Joe Namath guarantee and told the rest of us we need not apply, "Our group is just going to go again."

Regardless of who wins, the MGA encourages all of our members to participate in this event. ClubCorp has demonstrated that they put on a first class event, and four members of our club will be attending again. Will it be you? Watch for details in future editions of the **MGAreport** and don't miss out on your chance to play Pinehurst #2, #4 and #8 in September of 2015.

MGA and Hunters Cup Renewal

The Inaugural Hunters Cup was a huge success this year. The Hunters Cup is a points based, year-long chase, which only takes into account the points collected in 6 of the 8 declared Hunters Cup points events. As was hoped when the Hunters Cup was set up, there was a lot of movement both in and out of the Top 24 throughout the year.

Members who participated last year will automatically be renewed in the HG Cup for 2015. The fee to join will stay at \$80. However, if you would like to opt out or sign up, you can call the pro shop and they will take you off the list or they will add you if you did not participate in 2014. The list of 2014 participants will be displayed in the pro shop. Participation in the Hunters Cup is separate from membership in the MGA.

You will also be renewed by the pro shop for the annual MGA dues. Membership in the MGA is required if you plan on playing in the MGA sponsored events for 2015. We look forward to seeing everyone on the links again next year.
