Lanoue, Bray Pass Tough Test

The Annual Tough Day Tournament came and went and there was clearly one winner...the Golf Course.

Earl Lanoue gave the course the best challenge, shooting a gross score of 75, capturing the Overall Gross Championship trophy. **Chris Bray** shot a net score of 68 to capture the Overall Net Championship.

The course played long but the pin positions proved to meet the "toughness" test and scores in general were reflective of the difficulty of the set-up.

Flight Winners included:

Championship Flight Gross

Brian Kenny
Alex Montgomery
Jeff Fine

Championship Flight Net

Bob Brett
Jerry Dunn
Walt Johnson

Challenger Flight Net

Mike Festing Smith
David Simmons
Steve Wajda

Congratulations to everyone who competed against the most challenging course set-up we play all year.

Welcome NEW GM - Dave Taylor!

The MGA would like to welcome **Dave Taylor**, as our new General Manager. In his previous role at East Lake Woodlands, Dave's leadership led to Membership Retention and Member Satisfaction trends that they had not experienced in years.

If you have not had a chance to meet Dave yet it's probably because you have not been to the club lately, Dave has been highly visible. Dave and his wife Sarah have a 2-year-old daughter named Marley and a little boy on the way. Welcome to Hunter's Green!

Up Next: Red, White and Blue

The Red White and Blue tournament is a fun two-man team tournament.

The format is a **total team aggregate score** mandating that each player on the team play, **6 holes from the Red, 6 holes from the white** and **6 holes from the blue tees**. You and your teammate strategize on which set of tees each of you play from in order to maximize your ability to score. Each team member can play from different tees, but by the end of the round, you must both have played 6 from each.

Sign Up today by visiting www.hg-mga.com or you can call or stop by the pro shop (973-1700).

This is one of 2 remaining tournaments to accumulate Hunter's Cup Points.

The MGA – What is this Group?

The MGA Board is made up of 11 members of the golfing community at Hunter's Green. Members on the current board are comprised of individuals who make up a broad range of different "playing groups."

The object of the MGA is to foster good fellowship and sportsmanship among the members. The MGA exists to improve the men's golf experience at Hunter's Green and to encourage active participation of its members in golf events.

We encourage anyone who would like to provide input, or become more active in the planning of MGA events to contact any member of the Board. Moving forward, our meeting dates will be posted on the MGA website (www.hg-mga.com) and as always, anyone is welcome to attend and observe.

The MGA Board is made up of volunteers and while we may not always get everything right, we do value the input from the 200+ members we represent. Your input is always welcome. Thanks, and see you at the next event!
